

# BLOMMER CHOCOLATE COMPANY

## MILK CHOCOLATE

**Blommer offers a wide variety of milk chocolates and sugar free milk chocolate flavored products to suit every application.** Made with the finest cocoa beans and milk ingredients. Offered in a variety of flavor profiles, particle size, viscosities and colors to meet your every need. Contact your Blommer representative to help guide you to the right product for your particular application.

### WESTON

One of our finest milk chocolates manufactured with flavor-grade cocoa beans to create a mild chocolate flavor with pleasant creamy background.

### MEADOWLAND

A robust milk chocolate manufactured to enhance European style with intense milk notes.

### D-MILK

Our most popular milk chocolate. A rich, full bodied milk chocolate with a pleasant caramelized flavor.

### D-MILK W/VANILLA

Same flavor as D-Milk with a note of vanilla.

### WISCONSIN

A sweeter milk chocolate with high chocolate character. Ideal for general usage.

### WISCONSIN W/VANILLA

Same flavor as Wisconsin with a note of vanilla.

### JERSEY

Sweet milk flavor ideal for enrobing, panning and hand dipping.

### PENN

A high quality and flavored milk chocolate.

### PENN W/VANILLA

Same flavor as Penn with a note of vanilla.

### DAISY

A balanced sweet milk with chocolate intensity formulated for enrobing, panning and hand dipping.

### MILKMAID

A milk chocolate with a delicate balance of milk and chocolate flavors.

### M80 I

A robust milk chocolate with rich, even chocolate characteristics.

### GOLDEN

A sweet milk chocolate with a distinct chocolate flavor and milk notes.

### LASSEN

A sweet milk chocolate with a distinct chocolate flavor that is refined to create a creamy, delicate flavor.

### KANSAS MILK

A versatile milk chocolate with a chocolate intensity that works well for coating.

### ILLINOIS MILK

A mild milk chocolate coating.

### ILLINOIS MILK W/VANILLA

Same flavor as Illinois with an note of vanilla.

### AHWANEE

A milk chocolate coating with high milk notes.

### SANTA CRUZ

A milk chocolate coating made with evaporated cane juice.

### MALTITOL SUGAR FREE

A sugar free milk chocolate using maltitol, a sweetener used as a sucrose substitute.

### VALLEY FORGE SUGAR FREE

A sugar free milk with a distinct chocolate impact complemented by subtle sweet and milky notes ideal for use in making fine confectionery pieces.
